Hi Ehud
Hope everything is fine with you and Nili. Still in NY?

Just a quick update on FST:

We have submitted our complete offer today and I think Farkash will present it to the board tomorrow - so lets see what their initial reaction is. Certainly they won't like it, but let's have Farkash do his magic.
Secondly we had a conference call with Udi today to go over structuring/tax issues, which are now more clear to us.

So it's all in the works, I will keep you posted.
All the best and hope to see you again soon.

Best regards
Gary
